

Under a national contract with the Coalition for College Cost Savings (The Coalition), Higher One is pleased to offer to all Coalition Member Organizations, and the private colleges and universities that they represent, comprehensive payment services and solutions in both the student and operational sectors of private higher education. Under a single umbrella contract, schools may access a variety of enhancement options.

Higher One/CASHNet's solution to student loan service provides one company to manage all student payments and refunds.

One Disburse from Higher One provides refund management, electronic payroll, financial literacy and student banking services.

The CASHNet® suite of payment processing solutions below, also available through Higher One, enables colleges and universities to accept any payment, anytime, anywhere® and create greater efficiency and enhanced customer service for students and institutions of higher education across the country. This one-of-a-kind solution alleviates the administrative burdens that accompany payment processing, while keeping your institution compliant and saving time and money.

Program Highlights

- The fully PCI certified **CASHNet suite of payment processing solutions** offer institutions and students intuitive and easy-to-use solutions, by providing precisely the capabilities needed to meet the task at hand
- **CASHNet eBill** presents your institution's bills online so students and parents can view both current and prior bills at their convenience and make payments online 24 hours a day, 7 days a week
- **CASHNet MyPaymentPlan** allows students and parents to electronically enroll in automatic generated payment plans designed and tailored to your institution
- **CASHNet ePayment** provides students and parents the ability to view current balances and make confirmed, documented payments at anytime over the web
- **CASHNet eMarket** gives your departments a secure, easy-to-use, fully PCI certified, customizable tool for creating their own storefronts, without utilizing valuable IT resources
- **CASHNet Cashiering** allows your customers or departments to process in-person payments with a "one step, one stop" transaction that keeps the line moving and your customer smiling
- **CASHNet eRefund** electronically processes Financial Aid refunds and other overpayments and reduces costs related to materials including postage and handling.
