DETAILED PROJECT DESCRIPTIONS
(Use a Separate Sheet for Each Project/Initiative)

Institution: St. John's College

Project #(X): Financial Aid

Project Budget: \$758,818

Detailed description of project/initiative:

St. John's College provided financial aid to Maryland students with proven need who met the academic standards of the college. This financial aid was also used to ensure economic diversity among the student population.

Describe how Maryland was served by this project/initiative:

The combination of need-blind admission and need-based financial aid directly supported Goal 3 of the 2017-2021 Maryland State Plan for Postsecondary Education.

Strategy 3: Expand efforts to cultivate student readiness, financial literacy, and financial aid for individuals outside traditional K-12 school channels.

Describe process of project evaluation/assessment:

Financial aid data is reviewed annually by college officers and Board of Visitors and Governors.

(Use a Separate Sheet for Each Project/Initiative)

Institution: St. John's College

Project #(X): Career Services

Project Budget: \$42,157

Detailed description of project/initiative:

St. John's College provided current students and alumni resources and support for all aspects of career and job searches, from initial exploration through later career changes. Programming for FY20-21 included informational sessions by outside organizations and career oriented professionals as well as schools offering graduate level study.

Describe how Maryland was served by this project/initiative:

The services offered and FY20-21 programming supported Strategy 7 and 8 of the 2017-2021 Maryland State Plan for Postsecondary Education.

Strategy 7: Enhance career advising and planning services and integrate them explicitly into academic advising and planning.

Strategy 8: Develop new partnerships between colleges and business to support workforce development and improve workforce readiness.

Describe process of project evaluation/assessment:

Surveys of former students are conducted one year after graduation to evaluate effectiveness of programs and status of recent graduates.

Institution: St. John's College

Project #(X): Instructional Support

Project Budget: \$42,157

Detailed description of project/initiative:

St. John's College offers summer graduate institute offerings to provide graduate level study for educators to attend a five-week program to train in classical 'great books' curriculum. This training provided educators with tools for use in home charter and private schools.

Describe how Maryland was served by this project/initiative:

The expanded programming in graduate student training in pedagogy supports Strategy 9 of the 2017-2021 Maryland State Plan for Postsecondary Education.

Strategy 9: Strengthen and sustain development and collaboration in addressing teaching and learning challenges.

Describe process of project evaluation/assessment:

Course offerings are assessed through student evaluations and program sponsor feedback.
